9) UNIVERSITY DISTINGUISHED TEACHING AWARD *(Formerly Good Teaching Award)*

The purpose of the University Distinguished Teaching Award is to recognize excellence in teaching performance at the undergraduate level and to provide an incentive to achieve that goal.

CRITERIA FOR SELECTION

ELIGIBILITY

Full-time regular and non-regular faculty members of the University of Oklahoma from an academic program with an undergraduate component are eligible to receive the University Distinguished Teaching Award. The faculty member must have been a University of Oklahoma employee during the period for which the outstanding contributions are being recognized; previous accomplishments at other institutions, if applicable, may be used in support of a continued outstanding performance in the area of the specific award.

Those holding distinguished professorships are not eligible. Persons receiving the Regents' Award for Superior Teaching, Research and Creative Activity, and Professional and University Service, are not eligible during the year of their award. A person who has received a University Distinguished Teaching Award (previously known as the Good Teaching Award) is not eligible for the next three years after he or she receives it.

NOMINATION PROCEDURES

The Senior Vice President and Provosts will solicit recommendations for the award by September 15 of each year and announce appropriate schedules for processing the nominations. Furthermore, the solicitations will be posted on the appropriate campus website.

Nominations may derive from department chairs or unit directors, elected members of departmental/unit Committee A, a departments/unit's approved nomination committee, Center leaders, or a group of faculty who are familiar with the nominee's qualifications for the award. Only one nomination by an academic unit or other nominating group of faculty is allowed. The nominating entity will be responsible for assembling the nomination packets including supporting documentation.

Nominations shall be forwarded to the respective dean for review and endorsement. An optional letter from the dean, if included, will focus on evaluatory comments regarding the quality and significance of the nominee's impact on the broader OU mission. The dean's letter will not count towards the 25-page limit outlined below. The dean will forward the nomination materials to the respective Senior Vice President and Provost by **November 1**. Each academic unit may suggest no more than one person.

SELECTION PROCEDURES

The University Council on Faculty Awards and Honors shall consider only the formal nominations. The Council may seek additional data about the nominees from supplemental sources, as appropriate. The Council shall forward to the Senior Vice President and Provosts its recommendation(s). The Council also shall transmit all substantiating materials pertaining to all nominees.

The Senior Vice President and Provosts will review the nomination materials and the Council's recommendation(s), and will forward their recommendation(s) by February 1, along with all nominations and all substantiating material pertaining to all nominees, to the President.

AWARDS

Each awardee will receive a one-time award of \$1,500 and a framed certificate. The recipient will be announced for Norman Campus at the annual Faculty Awards Ceremony and for the Health Sciences Center at the Spring General Faculty meeting.
