

DAVID L. BOREN PROFESSORSHIP
The University of Oklahoma Health Campus

The David L. Boren Professorship is one of the University of Oklahoma's highest honors, recognizing faculty who have made truly exceptional contributions to the mission of a public research university. To qualify for the Professorship, a faculty member must have consistently demonstrated outstanding teaching, research and creative activity, and leadership of service. The holders of this distinctive honor should represent the best of the OU spirit as it has come to be under the remarkable leadership of President David L. Boren - caring for students, advancing the frontiers of knowledge, and making a positive difference in the world. The term of a David L. Boren Professorship is continuous until retirement.
