

GEORGE LYNN CROSS RESEARCH PROFESSORSHIP
The University of Oklahoma Health Sciences Center

The Regents' Professorship was established on November 12, 1943 on action by the Board of Regents. The first four appointments were effective January 1, 1944. Upon his retirement from the University in 1968, the Regents named this professorship for George Lynn Cross. The criteria for selection provide to qualify for a George Lynn Cross Research Professorship a faculty member must have demonstrated outstanding leadership over a period of years in his or her field of learning or creative activity and have been recognized by peers for distinguished contributions to knowledge or distinguished creative work. The appointment is for life.

<u>NAME</u>	<u>DEPARTMENT</u>	<u>COLLEGE</u>	<u>YEAR</u>
